27th May 2016

YEAR 6

We are very proud of our year six pupils who approached their SATs with such determination and maturity. As you are no doubt aware, this year's tests were considerably more challenging as they are assessing the new curriculum, but our children took everything in their stride and displayed great attitude and character. The results are due to be published at the beginning of July.

PLAYGROUND SAFETY

We would like to remind parents that scooters or bikes are not permitted anywhere on the school grounds. An increasing number of younger siblings have been riding around the playground, causing a serious health and safety risk to others.

SLIP, SLAP, SLOP

That is slip on sunglasses, slap on a hat and slop on sun cream!! There is limited shade in our playgrounds so we need to make sure that the children are protected. Please ensure that your children are equipped to spend some time in the sun.

BIG ART PROJECT

For the past two weeks our children have been working on landscape paintings under the expert tuition of World's End Junior's resident artist Mrs Davies. The children have thoroughly enjoyed this experience and we have been very impressed with the standard of the artwork they have produced. Parents will have the opportunity to purchase their child's framed piece for £8.50.

DINNER MONEY

Dinner money for next half term is £71.75. Please send dinner money in a named container or envelope, which your child should hand in to their class teacher on the first day back and subsequently on Monday mornings.

Unfortunately we do not accept payment by cheque but you may use the online banking facility.

The following details of our account will be requested by your bank:

Company Name – **World's End Junior** Company sort code – **16 00 08** Company account no – **10485248**

In addition you will be asked to provide a reference or narrative to enable us to identify your payment. As this field is usually of limited size please use your **child's surname and class**, i.e **SMITH 5B**.

50 BOOK READING CHALLENGE

Well done to the following children who have completed the 50 book reading challenge so far: James 4P, Frances 5J, Davina 5V, Isha 5V, Kelan 6C, Polly 6C, Kirsty 5V, Iqra 4P, Lily 4F, Ava 4F, Roxanna 5V.

The children have earned a £5 Waterstones reading voucher. Some have received their voucher and have already brought a new book and others will receive theirs after the half term break. Well done children and keep reading!

BRITISH VALUES HALF TERM PROJECT

Our children have been learning about British Values based around the following themes:

Democracy

Law

Freedom (Individual Liberties)

Mutual Respect

Tolerance

Over half term we have asked the children to research the life of a British Citizen whose life and work displays one of these elements. It can be a living man or woman or someone from the past.

The children are encouraged to be creative and can use writing, drawing, ICT or any other media to present their work. The completed projects should be brought into school by Friday 10th of June.

Children's completed work will be displayed on the school website, Twitter page and celebrated in a special assembly.

MATHS DAY AT HARBORNE PRIMARY SCHOOL 29TH APRIL 2016

The following children attended a day of maths games and puzzles:

Yusuf 3KP, Ying Zong 3M, Ano and Senai 4W, James and Rebecca 4P, Harrier 3EP and Rohan 4F.

The children solved real life problems using their knowledge of fractions and played multiplication games. The event was attended by other local primary schools. The children really enjoyed the day, especially as they were able to work alongside pupils from other schools. They made us really proud showing resilience and application when solving the maths problems.

AMAZING MATHS—BRYONY'S TRIANGLE

Have a go at making a flower by folding a single piece of paper. Follow the video on the NRICH website: <http://nrich.maths.org>. Search for Bryony's Triangle and you will be shown how to make a paper flower. Can you work out what fraction the shaded triangle is out of the whole paper?
