Rigolo 1 Unit 7 – Encore! Rigolo 1 Unit 8 – Quelle heur est-il?

Describe people's nationality using gender agreements
tell the time in analogue form
Talk about free time activities
say what activities you do at a certain time

Computing

We are Bloggers

Children will be exploring the different features of Microsoft word and how this can be used to blog. We will look at several different styles of blog and will be creating our own blogs about interesting activities during the summer term. We will be focusing on E-safety when blogging.

Aztecs

Topic Overview

Religious Education

Becoming an Adult

Be able to describe the impact that choosing to make a commitment to a religion will have on a believer's life.

Recognise the similarities and differences between initiation ceremonies in different religions.

Hinduism

Be able to recognise the key beliefs of the Hindu religious tradition and explain the effect that those beliefs have on the lives of some Hindus.

Geography /History

Geography

Children will learn about different geographical features make comparisons between Mexico and England using their geographical knowledge. Children will also have the opportunity to use 4 figure grid referencing to navigate areas on maps. (Cross curricular maths link)

History

Children will gather content about the Aztec civilisation and understand how they lived. Children will also explore their religious beliefs and discuss how they are different to our own (cross curricular link to British Values)

Art/DT

Art

The children will use research to find out about Aztec calendars. The children will then create several designs in the same style before creating their own Aztec calendar using clay.

DT

The children will use research to find out about Aztec jewellery. They will then use 3D materials to create a jewellery design and piece in the same style.
