<u>World's End Junior School Knowledge Organiser: Year 3 – Invasion</u> (Hockey)

In this unit, the focus is on hockey. Children will learn how to pass and dribble as well as how to receive the puck. Children will take part in mini games and create their own games based on the rules of hockey.

Key objectives:

I can hold the hockey stick correctly. I can pass a ball with increasing accuracy.

I am beginning to be able to travel with the ball, keeping it under control.

I am aware of space around me and use it to support my team.

I am beginning to be able to keep possession of the ball.

I am beginning to follow the rules of a game.

I can create mini games.

I can say what I like and dislike about my performance and others.

I can use other people's opinions to help make my performance better.

Key Vocabulary:

Grip technique

Hit

Dribble

Push pass

Scoop

Shoot

Score

Goal shot

Key Questions:

- 1. Why do we need to be able to pass the ball with accuracy?
- 2. How can I ensure I am passing the ball to a team mate and not the opposition?
- 3. Why do we need to be aware of the space around us when playing hockey?
- 4. How can I score when playing hockey?
- 5. Does hockey have any similarities to other games?

Health for life:

At least 30 minutes of continuous movement to increase cardiovascular strength.

Strands included in this unit:

Spirituality

Our place in the world and our impact on it

Creativity

Cultural and cultural capital Health for life and well-being

Democracy
