

Primary School Admissions Arrangements 2022

Closing date for applications: 15 January 2022

Responsibility for applying online

Birmingham City Council's School Admissions and Fair Access Service publishes information on their website, informing parent/carers on how to start their child at school. **However, the responsibility for submitting an application online for a child to start reception class, remains solely with parent/carers.**

Information about schools includes the home to school distance (cut-off distance) of the last child admitted at the time of offer for entry in September 2021, 2020 and 2019 where applicable. It is not possible to predict cut-off distances for 2022.

There is no guarantee that the same pattern will repeat in 2022, but all parents and carers should please consider all the information below carefully before expressing preferences for Reception class and Year 2-3 transfers.

Reception

- You must apply for a Reception place, even if your child is attending a nursery at that school.
- Your child attending a nursery at a school does not give them priority for a place in reception class, unless stated it is stated in their admissions arrangements. Please see details below.
- Children attending a nursery are not classed as siblings for reception class, unless stated it is stated in their admissions arrangements. Please see details below.
- If you live in Birmingham, you can still apply for a place in another Local Authority, but this must be via the Birmingham online application. Ensure you check the admissions arrangements for non-Birmingham schools with that Local Authority, just in case there are additional forms that you are required to complete and return to the school in addition to completing your online application to Birmingham Local Authority.

Year 2-3

- You only need to apply for place in Year 3 if your child attends Year 2 at the linked Infant school. Please see details below for all Birmingham schools.
- If your child does not attend linked infant school, you are welcome to apply to the junior school, though you should be aware that children attending the infants have overall priority. **As such, you are very unlikely to gain a place in the juniors.**

- If you live in Birmingham and your child attends a non-Birmingham infant school, which is linked to separate junior school, you must make an online application to Birmingham for a place in Year 3. Ensure you check the admissions arrangements for non-Birmingham schools with that Local Authority, just in case there are additional forms you are required to complete and return to the school, in addition to completing your online application to Birmingham Local Authority.

General

- 1 mile = 1609 metres
- All schools are day schools. There are no boarding schools.

In addition to this document, please read our guide to finding a school and other important information for your consideration on our [website](#) before completing your online preference form.

Children with an Education Health and Care Plan

Any child with an Education Health and Care Plan/statement of special educational needs is required to be admitted to the school that is named in the statement. This gives such children overall priority for admission to the named school. This is not an oversubscription criterion.

Oversubscription Criteria

1. Baptised Catholic children who are looked after or previously looked after.
2. Baptised Catholic children living in the parish of St Thomas and St Edmund of Canterbury (known as Erdington Abbey) who have a brother or sister attending Abbey Catholic Primary School at the time of admission.
3. Baptised Catholic children living in the parish of St Thomas and St Edmund of Canterbury (known as Erdington Abbey).
4. Other Baptised Catholic children who have a brother or sister attending Abbey Catholic Primary School at the time of admission.
5. Other Baptised Catholic children.
6. Non-Catholic children who are looked after or previously looked after.
7. Non-Catholic children who have a brother or sister attending Abbey Catholic Primary School at the time of admission.
8. Non-Catholic children.

If there is oversubscription within a category, the governors will give priority to those children living closest to the school determined by the shortest distance. The local authority's 'distance' definition has been adopted. Distances are calculated on the basis of a straight-line measurement from the applicant's home address and the front gate of the school on Sutton New Road.

Note: Distances are calculated on the basis of a straight-line measurement between the child's home address and the front gate of the school on Sutton New Road.

How to apply for Reception Class in September 2022

An application must be made online at

www.birmingham.gov.uk/schooladmissions. You will also be required to complete

an additional information form for this school, which is available from the school.
Both must be completed for a place.

How to make an In-Year application

[In-Year Admissions](#)

Oversubscription Criteria

The admissions process will consist of the following two key elements which will determine the offer of school places. Parents who have:

- (a) Completed fully all sections of both the Local Authority and Al-Furqan's application forms and provided all supporting documentary evidence as listed in the 'notes' to the School's additional application form.
- (b) Providing certified proof of evidence on letter headed paper from their local mosque or an Islamic organisation of the child's ability to recite the 'Shahada' (Ashhadu Alla Ilaha Illa Allah Wa Ashhadu Anna Muhammadun rasulu'Llah) and explain its meaning (according to age, aptitude and ability) as a minimum requirement to establish their faith.

Children with an Education Health and Care Plan

Any child with an Education Health and Care Plan/statement of special educational needs is required to be admitted to the school that is named in the statement. This gives such children overall priority for admission to the named school. This is not an oversubscription criterion.

Where applications for admissions exceed the number of places available, the following criteria (in descending order) shall apply:

- (a) Children of Islamic faith who are in the care of the Local Authority (looked after children) or were previously looked after a certified proof of evidence on letter headed paper from their local mosque or an Islamic organisation of the child's ability to recite the 'Shahada' (Ashhadu Alla Ilaha Illa Allah Wa Ashhadu Anna Muhammadun rasulu'Llah) and explain its meaning (according to age, aptitude and ability) will be required as a minimum requirement to establish their faith.
- (b) Children with siblings at Al-Furqan. The Local Authority 'Sibling' definition has been adopted. For all siblings of Islamic faith certified proof of evidence on letter headed paper from their local mosque or an Islamic organisation of the child's ability to recite the 'Shahada' (Ashhadu Alla Ilaha Illa Allah Wa Ashhadu Anna Muhammadun rasulu'Llah) and explain its meaning (according to age, aptitude and ability) will be required as a minimum requirement to establish their faith.

(c) Children of staff employed at Al-Furqan Primary School for two or more years or who will meet a skills shortage. For all children of staff of Islamic faith certified proof of evidence on letter headed paper from their local mosque or an Islamic organisation of the child's ability to recite the 'Shahada' (Ashhadu Alla Ilaha Illa Allah Wa Ashhadu Anna Muhammadun rasulu'Llah) and explain its meaning (according to age, aptitude and ability) will be required as a minimum requirement to establish their faith.

(d) For all other children of Islamic faith certified proof of evidence on letter headed paper from their local mosque or an Islamic organisation of the child's ability to recite the 'Shahada' (Ashhadu Alla Ilaha Illa Allah Wa Ashhadu Anna Muhammadun rasulu'Llah) and explain its meaning (according to age, aptitude and ability) will be required as a minimum requirement to establish their faith.

(e) All other children in the care of the Local Authority or were previously looked after.

(f) All other children.

The criterion listed above reflects the admissions for the School and will be applied fairly and objectively in the offer of School places. In case of oversubscriptions, priority will be given to those children, at the time of application, residing closest to the School.

Al-Furqan Primary School has adopted the Local Authority's definitions for 'Looked after or previously looked after children', 'Sibling', 'Distance' and 'Shared Responsibility'.

Note: Distances are calculated on the basis of straight line measurement between the school gates on Formans Road to the child's home address.

Important

At the time of writing Al-Furqan Primary School is consulting on change the category of their school from a Voluntary Aided School to a Voluntary Controlled school. The informal (pre-publication) consultation started on 24 January 2022 and will end on 14 February 2022. Any child with an Education Health and Care Plan/statement of special educational needs is required to be admitted to the school that is named in the statement. This gives such children overall priority for admission to the named school. This is not an oversubscription criterion.

Oversubscription Criteria

a) A 'looked after child'. A looked after child is a child who is a) looked after by a local authority or b) being provided with accommodation by a local authority in the exercise of their social services functions, in accordance with section 22 (1) of the Children Act 1989. Details of eligibility must be supplied by the allocated social worker or foster carer. Or A child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order. This includes children who appear to the admission authority to have been in state care outside of England and ceased to be in care as a result of being adopted. Proof of eligibility will be required.

b) Children for whom it is essential to be admitted to the Academy because of special circumstances to do with significant medical or social needs, which relate to the child or an immediate member of the child's family. Applications must be supported by medical evidence from a GP or hospital consultant, social worker, or similar professional.

The supporting evidence should set out the particular reason why the Academy is the most suitable and the difficulties that would be caused if the child had to attend another school. **This evidence must be sent to the Academy by the application closing date, for the applicant to be considered under this criterion.**

c) Children who, on the date of admission, will have a sibling (e.g. a natural brother or sister, or a half brother or sister, or a legally adopted brother or sister or half-brother or sister, or step-brother or sister) who will be living with them at the same address and on roll of the Academy. Children will be considered under this criterion if they have a sibling who attends the Academy and will continue to be on roll when the child joins the Academy.

d) Children of staff, where the member of staff has been employed by the Academy for 2 or more years at the time of application, or the member of staff was recruited to fill a vacant post for which there is a demonstrable skill shortage.

e) Children living nearest the school.

Within each of these categories, priority is given to those who live nearest the academy, calculated on the basis of a straight-line measurement between the applicant's home address and the front gates of the academy on Trittiford Road

Children with an Education Health and Care Plan

Any child with an Education Health and Care Plan/statement of special educational needs is required to be admitted to the school that is named in the statement. This gives such children overall priority for admission to the named school. This is not an oversubscription criterion.

Oversubscription Criteria

1. Looked after or previously looked after children (Parents should note that Bournville Village Primary School has adopted the Local Authority's 'looked after or previously looked after children' definition).
2. Children living in the catchment area who, at the time of admission, have a sibling at the school (Parents should note that Bournville Village Primary School has adopted the Local Authority's 'Sibling' definition). The catchment area can be viewed at the School Office.
3. Other children living in the catchment area.
4. Children living outside the catchment area who, at the time of admission, have a sibling at Bournville Village Primary School.
5. Other children living outside the catchment area.

The school reserves the right to withdraw the offer of a place if a change in circumstances between allocation and admission would have resulted in a child not being offered a place at the time of allocation.

Distances are calculated on the basis of a straight-line measurement between the applicant's home address and the centre of the main school building. The Local Authority uses a computerised system, which measures all distances in metres. Ordnance Survey supply the co-ordinates that are used to plot an applicant's home address within this system. Proof of address will be required by the school.

Where parents have shared responsibility for a child, and the child lives with both parents for part of the week, then the main residence will be determined as the address where the child lives the majority of the week. Parents may be requested to supply documentary evidence to support the address used.

In a very small number of cases it may not be possible to decide between the applications of those pupils who are the final qualifiers for a place, when applying the published Oversubscription Criteria. For example, this may occur when children in the same year group live at the same address, or if the distance between the home and school is exactly the same, for example, blocks of flats. If there is no other way of separating the application according to the admissions criteria and to admit both or all of the children would cause the legal limit to be exceeded, the Local Authority will use a computerised system to randomly select the child to be offered the final place.

Oversubscription Criteria

a) A ‘looked after child’. A looked after child is a child who is a) looked after by a local authority or being provided with accommodation by a local authority in the exercise of their social services functions, in accordance with section 22 (1) of the Children Act 1989. Details of eligibility must be supplied by the allocated social worker or foster carer.

Any child with an Education Health and Care Plan/statement of special educational needs is required to be admitted to the school that is named in the statement. This gives such children overall priority for admission to the named school. This is not an oversubscription criterion.

Oversubscription Criteria

a) First priority for admission shall be given to relevant looked after children or children who were previously looked after.

b) Second priority for admission shall be given to children with a “serious and ongoing medical condition” where Chivenor Primary School is the most appropriate school to meet the condition.

(Parents must provide supportive information from their child’s Hospital Consultant at the time of application directly to the school in order to be considered under these criteria). The supportive information should include information about the needs of the child and should detail the difficulties the child would experience if they attended another school. Parents should also indicate when sending the supportive information to Chivenor Primary School, why the school is the most appropriate to meet their child’s medical condition rather than

any other school. **The school will not seek to obtain medical evidence on behalf of parents.**

c) Third priority for admission shall be given to children who have a brother/sister, half-brother/sister (where the children share one common parent), or step-brother / step-sister, living at the same address and who will still be attending Chivenor Primary School in the academic year 2022.

d) Any places that remain available once the above applicants have been admitted, will be filled according to those children who live closest to the school.

Chivenor Primary School has adopted the Local Authority's definition for 'Looked after and previously looked after children'.

Within each of these categories, priority is given to those who live nearest the school, calculated on the basis of a straight-line measurement between the applicant's home address and main entrance of the school.

Children with an Education Health and Care Plan

Any child with an Education Health and Care Plan/statement of special educational needs is required to be admitted to the school that is named in the statement. This gives such children overall priority for admission to the named school. This is not an oversubscription criterion.

Oversubscription Criteria

1. Looked After, Previously Looked After Children or Internationally Adopted Previously Looked After Children
 - A Looked After Child is a child who is in the care of a local authority or is being provided with accommodation by a local authority as set out in s22(1) of the Children Act 1989.

- A Previously Looked After Child is a child who immediately after being looked after became subject to an adoption, special guardianship or child arrangements order or a child who it appears to the admission authority were in state care outside of England but ceased to be in state care through adoption. (referred to as internationally adopted previously looked after children – “IAPLAC”).

In the case of previously looked after children, admission authorities may request a copy of the adoption order, child arrangements order or special guardianship order and a letter from the local authority that last looked after the child confirming that he or she was looked after immediately prior to that order being made.

2. Brothers or sisters of children at the Deanery School in the year of admission.
3. Children of parents who are of Church of England denomination who live in and are regular worshippers within the parish boundaries of the 14 churches listed in the notes. (The section on the Additional Information Form indicating regular church attendance* by a member of the clergy is required). **In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for worship.**
4. Children of parents who live within the parish boundaries of the 14 churches listed in the notes and are of other Christian denomination and are regular worshippers within the parish boundaries of the 14 churches listed in the notes. (The section on the Additional Information Form indicating regular church attendance* by a member of the clergy is required). **In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for worship.**
5. Children who have attended Little Hollies Nursery and who live who live within the parish boundaries of the 14 churches listed in the notes.
6. Children who live nearest the school.

NOTES

* Regular church attendance means “attendance at church worship at least twice a month and for at least two years preceding the date of admission”. This is measured by each Incumbent of the church within the old Deanery of Sutton Coldfield. ***In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these [admissions] arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for worship.***

If the family is moving into the old Deanery of Sutton Coldfield, a letter demonstrating attendance at least twice a month, for at least two years preceding the date of admission, and signed by the minister of their previous church will be required.

Please contact the school for further information. An ‘Additional Information Form’ must be returned to the school if category 1 – 5 applies.

If offering places within any one of the criteria would cause the schools admission number to be exceeded, then children living nearest will be offered first. Distances are calculated on the basis of a straight line measurement between the applicant’s home address and the front door of the main school building. If two or more applicants share the same distance to a school and a place is available the applicant to whom the place will be offered will be determined by the Local Authority by random selection (unless there are multiple births – in this case all the siblings will be admitted).

If a parent knowingly provides false information as proof, which would affect the success of their application, they may have the place withdrawn.

Be within the parish boundary of one of the following 14 churches:

- All Saints Four Oaks – Belwell Lane B74 2XU
- Emmanuel Wylde Green – Little Green Lanes B72 1YG

Children with an Education Health and Care Plan

Any child with an Education Health and Care Plan/statement of special educational needs is required to be admitted to the school that is named in the statement. This gives such children overall priority for admission to the named school. This is not an oversubscription criterion.

Oversubscription Criteria

1. Children looked after by a Local Authority or who were previously looked after pursuant with the School Admissions Code.
2. Children who have siblings in the Holly Hill school or nursery or Reaside Academy who will still be in attendance when the applicant enters school.
3. Nearness of the child's home to the school as measured by a straight-line measurement from the applicant's home address to the front door of the school. The local authority uses a computerised system, which measures all distances in metres. Ordnance Survey supplies the co-ordinates that are used to plot an applicant's home address within this system. Where parents have shared responsibility for a child, and the child lives with both parents for part of the week, then the main residence will be determined as the address where the child lives the majority of the week. Parents may be requested to supply documentary evidence to support the address used.

If offering places within any one of the criteria would cause the schools admission number to be exceeded, then children living nearest will be offered first. The local authority's distance definition has been adopted. Distances are calculated on the basis of a straight-line measurement between the applicant's home address and the main gate of the school.

Note: Distances are calculated on the basis of a straight-line measurement between the applicant's home address and the main gate of the school.

Oversubscription Criteria

If oversubscribed, the school will admit children under two groups. 50% of the available places will be allocated to children in Group A who are of the Christian faith. The remaining places will be allocated, without reference to faith, to children in Group B.

On this basis a maximum of 50% of the available places will be allocated to children who are members of the Christian faith.

Places will be allocated as follows.

If a tie break is needed, where two or more eligible applications have equal priority for admission, to determine which applicant will be allocated a place, this will be done through random allocation via drawing of lots by an independent person of good standing.

Allocation of places if one of Group A or Group B is undersubscribed

If after the admission of children with a Statement / EHCP fewer than 50% of the remaining children qualify for admission in Group A, additional places will be offered using the criteria listed for Group B above until the PAN is reached. If after the admission of children with a Statement / EHCP fewer than 50% of the remaining children qualify for admission in Group B then additional places will be offered to applicants who were not allocated a place under Group A. These applicants will be considered without reference to faith in line with the oversubscription criteria in Group B until the admission numbers are met.

Christian Faith

*Note: For the purposes of these admission arrangements children of the Christian Faith will be determined by whether the parent/s of the child or the child regularly attends a recognised Christian church, that is, at least twice per month. A recognised Christian Church is a church which is in membership with or affiliated to at least one of the following organisations: Churches Together in Britain, the Evangelical Alliance, the Order of St Leonard, or belong to a church that accepts the Nicene Creed as the statement of faith. **This must be affirmed by the Church Leader on the Supporting Evidence Form.**

Pupil Premium

Including the service premium. Parents will be required to provide evidence of eligibility and the school may request confirmation from the applicant's home Local Authority. Children given priority under this criterion fall into the following categories:

- children currently registered as eligible for free school meals and children who have been registered as eligible for free school meals at any point in the last six years; and
- children whose parent(s) are serving in the regular UK armed forces, or to the children of ex regular UK armed forces personnel who were serving in the last 3 years.
- children where at least one parent died while serving in the UK armed forces and the child is in receipt of a pension under the Armed Forces Compensation Scheme (AFCS) and the War Pensions Scheme (WPS).

Children with an Education Health and Care Plan

Any child with an Education Health and Care Plan/statement of special educational needs is required to be admitted to the school that is named in the

statement. This gives such children overall priority for admission to the named school. This is not an oversubscription criterion.

Oversubscription Criteria

a) A 'looked after child'. A looked after child is a child who is a) looked after by a local authority or b) being provided with accommodation by a local authority in the exercise of their social services functions, in accordance with section 22 (1) of the Children Act 1989.

Details of eligibility must be supplied by the allocated social worker or foster carer.

Or A child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order. b) Children for whom it is essential to be admitted to the Academy because of special circumstances to do with significant medical or social needs, which relate to the child or an immediate member of the child's family. Applications must be supported by medical evidence from a GP or hospital consultant, social worker, or similar professional.

The supporting evidence should set out the particular reason why the Academy is the most suitable and the difficulties that would be caused if the child had to attend another school. This evidence must be sent to the Academy by the 15 January 2022, for the applicant to be considered under this criterion.

c) Children who, on the date of application, have a sibling (e.g. a natural brother or sister, or a half brother or sister, or a legally adopted brother or sister or half-brother or sister, or step-brother or sister) who is living with them at the same address and on roll of the Academy.

d) Children of staff, where the member of staff has been employed by the Academy for 2 or more years at the time of application, or the member of staff was recruited to fill a vacant post for which there is a demonstrable skill shortage.

e) Children living nearest the school.

Within each of these categories, priority is given to those who live nearest the school, calculated on the basis of a straight-line measurement between the applicant's home address and the entrance of the School.

Children with an Education Health and Care Plan

Any child with an Education Health and Care Plan/statement of special educational needs is required to be admitted to the school that is named in the statement. This gives such children overall priority for admission to the named school. This is not an oversubscription criterion.

Oversubscription Criteria

1. Looked After Children and Children who have been previously Looked After (pursuant to the Admissions Code).
2. Children of staff at the school where there is a demonstrable skill shortage – children of members of staff will have priority in the oversubscription criteria if the staff member is filling a post for which there is a demonstrable skill shortage. The academy is required to approve the Head Teacher’s designation of such posts and confirm the assessment that a member of staff appointed meets the requirements of the shortage. Priority will be limited to one place for each form of entry in any year.
3. Children who at the time of the admission have a sibling who attends the academy. For this purpose, “sibling” means a whole, half or stepbrother or sister or an adopted child resident at the same address. In respect of applications to the primary school, the fact that an applicant has a sibling attending the nursery school will not be a factor giving rise to priority. In the case of twins or brothers and sisters in the same year group, where there is only one place available in the academy, both will be considered together as one application.

4. Children of staff in the school - Where there is no demonstrable skill shortage, priority may be given where the academy is oversubscribed to a child of a person who will have been employed in the academy for two or more years at the time the application for admission is made. Priority will be limited to one place for each form of entry in any year.

5. Distance measurement - A child's home will be the address at which the child normally resides, and which has been notified to the Academy and other relevant agencies as being the child's normal place of residence.

Leigh has adopted the Local Authority's definition for 'Looked after and previously looked after children'.

Within each of these categories, priority is given to those who live nearest the academy, calculated on the basis of a straight-line measurement between home and the main entrance on Warren Road.

Oversubscription Criteria

1. A 'looked after child' or a child who was previously 'looked after' pursuant with the School Admissions Code.
2. Exceptional and Compelling Medical, Psychological, Social or Special Access Reasons (the definition of which and process to be followed is set out in the Notes) which can only be met at the Academy. It is important that additional evidence is required in respect of this (as defined in the Notes). **Please note that a Supplementary Information Form (SIF) must be completed for an application under this criterion within the timescales for the point of entry required.**
3. Siblings (as defined in the Notes) of pupils currently on the roll at the Academy at the time of application for the proposed admission of the applicant.
4. 5. 6. Any other applications of which priority of placement will be given to children who live nearest to the Academy (including if this address is with a parent/carer with shared responsibility for the child or not). The child's home address will be the child's permanent place of residency and must not be a business address, or the address of a relative or carer, unless they have legal custody of the child. Applications must only be made from a single address.

Within each of these categories, priority is given to those who live nearest the school, calculated on the basis of a straight-line measurement between the applicant's home address and the front gates of the school.

Notes:

Supplementary Information Form (SIF)

Where the Academy accepts and approves the child has met the criterion, they will write to the parents confirming the decision. A request for admission under the criterion is not an application for admission, and parents will need to submit a separate application in the usual way at the appropriate time.

Early Years Pupil Premium, the Pupil Premium or the Service Pupil Premium

Early Years Pupil Premium

Early Years Pupil Premium (EYPP) is additional funding for early years pre-school settings to improve the education they provide for disadvantaged 3 and 4 year-olds including, but not restricted to, those adopted from care.

Pupil Premium

The Pupil Premium is additional funding provided to publicly-funded schools in England with the aim of raising the attainment of disadvantaged children.

Service Pupil Premium

Pupils attract Service Pupil Premium if they meet one of the following criteria: ☐ one of their parents is serving in the regular armed forces (including pupils with a parent who is on full commitment as part of the full-time reserve service).

- they have been registered as a 'service child' on the January school census at any point since 2016 and/or
- one of their parents died whilst serving in the armed forces and the pupil receives a pension under the Armed Forces Compensation Scheme or the War Pensions Scheme On publication of this document the current information for 2020 – 2021 including eligibility criteria can be located <https://www.gov.uk/government/publications/pupil-premiumallocations-and-conditions-of-grant-2020-to-2021/pupil-premium-conditions-of-grant-2020to-2021>

Exceptional and Compelling Medical, Psychological, Social or Special Access Reasons

Applications for Exceptional and Compelling Medical, Psychological, Social or Special Access Reasons will only be considered at the time of the initial application, unless there has been a significant and exceptional change of

circumstances within the family since the initial application was submitted. All academies in E-ACT have experience in dealing with children with diverse social and medical needs. All applications must be made on a SIF form and submitted directly to the Academy whilst still applying for a place within the usual timescales for point of entry with Birmingham City Council or follow the in-year admissions process.

In a few very exceptional cases, there are reasons why a child has to go to one specific school. All applications are considered individually but a successful application should include the following:

- Specific recent professional evidence that justifies why only one school can meet a child's individual needs, and/or
- Professional evidence that outlines exceptional family circumstances making clear why only one school can meet the child's needs

If the requested school is not the nearest school to the child's home address clear reasons why the nearest school is not appropriate.

For medical cases – a clear explanation of why the child's severity of illness or disability makes attendance at a specific school essential. Evidence should make clear why only one school is appropriate.

The medical circumstances must relate to the child, and parents will be expected to provide supporting evidence from a consultant who is monitoring the child's condition (ie. not solely a General Practitioner (GP) in relation to medical circumstances, or a social worker (or other appropriate professionally qualified person) in relation to social circumstances. All supporting evidence showing why education should be at the preferred school must be submitted at the time of application, when applying for Reception at the usual point of entry. The Academy will consider all claimed Exceptional and Compelling Medical, Psychological, Social or Special Access needs circumstances in line with admissions criteria and inform parents of their decision.

An Exceptional and Compelling Medical, Psychological, Social or Special Access Reasons application will generally not be upheld in cases where more than one school could meet the child's need. In exceptional cases relating to a disability, where more than one school in the area can meet the child's specific needs, a clear and compelling case can be made for the "nearest" school with the relevant facilities, environment or location. You must clearly explain why attendance at the "nearest" school with these facilities is essential.

Evidence relating to the medical or social circumstances of the parent can be considered, but only if this impacts on the child and their need to attend a specific school. Requests may not be considered if long-term mobility issues are cited and you have not applied to your closest school. Please note that the following are unlikely to be considered grounds for exceptional medical/social need(s):

- Speech & language delay

- Child is awaiting an Education, Health and Care Plan (EHCP)
- Asthma, diabetes, eczema or allergies
- Car/travel sickness
- The need for a child to stay in friendship groups
- Family attending the same school
- Child care arrangements; and/or short term mobility issues.

If you feel that one of these examples should be considered, you will need to prove how this has a significant impact on your child and why only the Academy you have selected as your first preference can meet your child's exceptional need(s). The application under this criterion will be reviewed by the Headteacher and SENCO at the Academy.

Distances are calculated on the basis of a straight-line measurement between the applicant's home address and the front gates of the school.

The medical circumstances must relate to the child, and parents will be expected to provide supporting evidence from a consultant who is monitoring the child's condition (ie. not solely a General Practitioner (GP) in relation to medical circumstances, or a social worker (or other appropriate professionally qualified person) in relation to social circumstances. All supporting evidence showing why education should be at the preferred school must be submitted at the time of application, when applying for Reception at the usual point of entry. The Academy will consider all claimed Exceptional and Compelling Medical, Psychological, Social or Special Access needs circumstances in line with admissions criteria and inform parents of their decision.

An Exceptional and Compelling Medical, Psychological, Social or Special Access Reasons application will generally not be upheld in cases where more than one school could meet the child's need. In exceptional cases relating to a disability, where more than one school in the area can meet the child's specific needs, a clear and compelling case can be made for the "nearest" school with the relevant facilities, environment or location. You must clearly explain why attendance at the "nearest" school with these facilities is essential.

Evidence relating to the medical or social circumstances of the parent can be considered, but only if this impacts on the child and their need to attend a specific

school. Requests may not be considered if long-term mobility issues are cited and you have not applied to your closest school. Please note that the following are unlikely to be considered grounds for exceptional medical/social need(s):

- Speech & language delay
- Child is awaiting an Education, Health and Care Plan (EHCP)
- Asthma, diabetes, eczema or allergies
- Car/travel sickness
- The need for a child to stay in friendship groups
- Family attending the same school
- Child care arrangements; and/or short term mobility issues.

If you feel that one of these examples should be considered, you will need to prove how this has a significant impact on your child and why only the Academy you have selected as your first preference can meet your child's exceptional need(s). The application under this criterion will be reviewed by the Headteacher and SENCO at the Academy.

Distances are calculated on the basis of a straight-line measurement between home and the main entrance to the academy.

Any child with an Education Health and Care Plan/statement of special educational needs is required to be admitted to the school that is named in the statement. This gives such children overall priority for admission to the named school. This is not an oversubscription criterion.

Oversubscription Criteria

1. A 'looked after child' or a child who was previously 'looked after' pursuant with the School Admissions Code.
2. Exceptional and Compelling Medical, Psychological, Social or Special Access Reasons (the definition of which and process to be followed is set out in the Notes) which can only be met at the Academy. It is important that additional evidence is required in respect of this (as defined in the Notes). **Please note that a Supplementary Information Form (SIF) must be completed for an application under this criterion within the timescales for the point of entry required.**

3. Siblings (as defined in the Notes) of pupils currently on the roll at the Academy at the time of application for the proposed admission of the applicant.
4. Children who at the time of the application are eligible for the Early Years Pupil Premium, the Pupil Premium or the Service Pupil Premium (each defined in the Notes). **Please note that a SIF form must be completed for an application under this criterion within the timescales for the point of entry required.**
5. Children whose parent/carer is a member of staff who has either been continuously employed at the Trust for two (2) or more years at the time of application for a place or has been recruited to fill a vacancy for which there is a demonstrable skill shortage or has been re-located to the area at the request of the Trust. **Please note that a SIF form must be completed for an application under this criterion within the timescales for the point of entry required.**
6. Any other applications of which priority of placement will be given to children who live nearest to the Academy (including if this address is with a parent/carer with shared responsibility for the child or not). The child's home address will be the child's permanent place of residency and must not be a business address, or the address of a relative or carer, unless they have legal custody of the child. Applications must only be made from a single address.

Within each of these categories, priority is given to those who live nearest the academy, calculated on the basis of a straight-line measurement between the applicant's home address and the academy front gates.

Notes:

Supplementary Information Form (SIF)

Where the Academy accepts and approves the child has met the criterion, they will write to the parents confirming the decision. A request for admission under the criterion is not an application for admission, and parents will need to submit a separate application in the usual way at the appropriate time.

Early Years Pupil Premium, the Pupil Premium or the Service Pupil Premium

Early Years Pupil Premium

Early Years Pupil Premium (EYPP) is additional funding for early years pre-school settings to improve the education they provide for disadvantaged 3 and 4 year-olds including, but not restricted to, those adopted from care.

Pupil Premium

The Pupil Premium is additional funding provided to publicly-funded schools in England with the aim of raising the attainment of disadvantaged children.

Service Pupil Premium

Pupils attract Service Pupil Premium if they meet one of the following criteria: ☐ one of their parents is serving in the regular armed forces (including pupils with a parent who is on full commitment as part of the full-time reserve service).

- they have been registered as a 'service child' on the January school census at any point since 2016 and/or
- one of their parents died whilst serving in the armed forces and the pupil receives a pension under the Armed Forces Compensation Scheme or the War Pensions Scheme On publication of this document the current information for 2020 – 2021 including eligibility criteria can be located <https://www.gov.uk/government/publications/pupil-premiumallocations-and-conditions-of-grant-2020-to-2021/pupil-premium-conditions-of-grant-2020to-2021>

Exceptional and Compelling Medical, Psychological, Social or Special Access Reasons

Applications for Exceptional and Compelling Medical, Psychological, Social or Special Access Reasons will only be considered at the time of the initial application, unless there has been a significant and exceptional change of circumstances within the family since the initial application was submitted. All academies in E-ACT have experience in dealing with children with diverse social and medical needs. All applications must be made on a SIF form and submitted directly to the Academy whilst still applying for a place within the usual timescales for point of entry with Birmingham City Council or follow the in-year admissions process.

In a few very exceptional cases, there are reasons why a child has to go to one specific school. All applications are considered individually but a successful application should include the following:

- Specific recent professional evidence that justifies why only one school can meet a child's individual needs, and/or
- Professional evidence that outlines exceptional family circumstances making clear why only one school can meet the child's needs

If the requested school is not the nearest school to the child's home address clear reasons why the nearest school is not appropriate.

For medical cases – a clear explanation of why the child's severity of illness or disability makes attendance at a specific school essential. Evidence should make clear why only one school is appropriate.

The medical circumstances must relate to the child, and parents will be expected to provide supporting evidence from a consultant who is monitoring the child's condition (ie. not solely a General Practitioner (GP) in relation to medical circumstances, or a social worker (or other appropriate professionally qualified person) in relation to social circumstances. All supporting evidence showing why education should be at the preferred school must be submitted at the time of application, when applying for Reception at the usual point of entry. The Academy will consider all claimed Exceptional and Compelling Medical, Psychological, Social or Special Access needs circumstances in line with admissions criteria and inform parents of their decision.

An Exceptional and Compelling Medical, Psychological, Social or Special Access Reasons application will generally not be upheld in cases where more than one school could meet the child's need. In exceptional cases relating to a disability, where more than one school in the area can meet the child's specific needs, a clear and compelling case can be made for the "nearest" school with the relevant facilities, environment or location. You must clearly explain why attendance at the "nearest" school with these facilities is essential.

Evidence relating to the medical or social circumstances of the parent can be considered, but only if this impacts on the child and their need to attend a specific school. Requests may not be considered if long-term mobility issues are cited and you have not applied to your closest school. Please note that the following are unlikely to be considered grounds for exceptional medical/social need(s):

- Speech & language delay
- Child is awaiting an Education, Health and Care Plan (EHCP)
- Asthma, diabetes, eczema or allergies
- Car/travel sickness
- The need for a child to stay in friendship groups
- Family attending the same school
- Child care arrangements; and/or short term mobility issues.

If you feel that one of these examples should be considered, you will need to prove how this has a significant impact on your child and why only the Academy you have selected as your first preference can meet your child's exceptional need(s). The application under this criterion will be reviewed by the Headteacher and SENCO at the Academy.

Notes

- 1) A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989) at the time of making an application to a school. A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society (see Section 23ZZA(8))

of the Children's Act 1989 (inserted by Section 4 of the Children and Social Work Act. This includes children who were adopted under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). Child arrangement orders are defined Section 8 of the Children Act 1989, as amended by Section 12 of the Children and Families Act 2014. Child arrangement orders replace residence orders and any residence orders in force prior to 22 April 2014 is deemed to be a child arrangements order. Section 14A of the Children Act 1989, which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

2) A child is eligible for consideration when the parent(s) of child on the payroll of the school completes the section on the home Local Authority's common application form.

3) Siblings refers to full, half, adopted, step, foster children or the child of the parents partner, and in every case, the child must be living in the same family unit at the same address.

4) For a place to be offered under this criterion, the information must confirm the exceptional medical or social need, and demonstrate how The Olive School, Birmingham is the only school that can meet the defined needs of the child. In all cases the medical or social need must be permanent or long term. For medical conditions affecting mobility, consideration will only be given if The Olive School, Birmingham is nearest to the child's home. **It is the parents responsibility to provide the information directly to the school. Failure to provide the supporting information by the closing date may result in the application not being considered under this criterion.**

5) Birmingham City Council measures the distance in a straight line from the applicant's home address to the main entrance of the school using the co-ordinates supplied by Ordnance Survey.

Any child with an Education Health and Care Plan/statement of special educational needs is required to be admitted to the school that is named in the statement. This gives such children overall priority for admission to the named school. This is not an oversubscription criterion.

Oversubscription Criteria

- a) A 'looked after child'. A looked after child is a child who is a) looked after by a local authority or b) being provided with accommodation by a local authority in the exercise of their social services functions, in accordance with section 22 (1) of the Children Act 1989. Details of eligibility must be supplied by the allocated social worker or foster carer.

Or

A child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order. Proof of eligibility will be required.

- b) Children for whom it is essential to be admitted to the Academy because of special circumstances to do with significant medical or social needs, which relate to the child or an immediate member of the child's family. Applications must be supported by medical evidence from a GP or hospital consultant, social worker or similar professional.

The supporting evidence should set out the particular reason why the Academy is the most suitable and the difficulties that would be caused if the child had to attend another school. **This evidence must be sent to the Academy by the application closing date, for the applicant to be considered under this criterion.**

- c) Children who, on the date of admission, will have a sibling (i.e. a natural brother or sister, or a half brother or sister, or a legally adopted brother or sister or half-brother or sister, or step brother or sister) who will be living with them at the same address and on roll of the Academy. Children will be considered under this criterion if they have a sibling who attends the Academy and will continue to be on roll when the child joins the Academy.
- d) Children of staff, where the member of staff has been employed by the Academy for 2 or more years at the time of application, or the member of staff was recruited to fill a vacant post for which there is a demonstrable skill shortage.
- e) Children living nearest the school.

Children whose parents have made an application on denominational grounds defined as anybody whose parent regularly attends any other Christian denomination (defined as a Church who are members of Churches together in England or the Evangelical Alliance). **We define regular as meaning once a month for a twelve-month period and this will be confirmed by a letter from the minister.**
7. All other children.

Note 2: By parent, we mean both natural parents, or any person who, although not a natural parent, has parental responsibility for a child; or any person who, although not a natural parent, has care of a child. If you are in any doubt, please contact the academy for advice.

Note 3: When applying under criterion 2 (exceptional medical or social needs), you must send the supporting evidence from an independent professional person who is aware of the situation and supports your reasons for preferring St Clement's directly to the school. This supporting evidence must clearly demonstrate why the school is the most suitable and must illustrate the difficulties that would be caused if your child had to attend another school. The person supplying the evidence should be a doctor, health visitor, social worker, etc. who is aware of your child's or your

own case. St Clement's reserves the right to ask for further evidence or clarification where necessary and may seek the advice of appropriate educational professionals where necessary.

Note 4: By sibling we mean a brother or sister. Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling. In cases where there is one remaining place and the next child on the list is one of a twin, triplet or other multiple birth group, the following will apply: both or all children may be admitted.

Note 5: If offering places within any one of the criteria would cause the school's admission number to be exceeded, then children living nearest will be offered first. Distances are measured by the Local Authority. If two or more applicants share the same distance to a school and only one place is available, the applicant to whom the place will be offered will be determined by the Local Authority by random selection (unless there are multiple births – in this case, all the siblings will be admitted). By normal home address, we mean your child's home address. This is your child's permanent address at the time you make your application for a place. It is where you and your child live. We regard a child's home address to be where he or she spends the majority of the school week (Monday to Friday, including nights). St Clement's reserves the right to verify the address given on the application.

Note 6: As regards an application on denominational grounds (4, 5 or 6), in respect of a child who has moved to an address within two miles of St Clement's, and who attended a Church in the vicinity of their former address, Church attendance at their previous Church shall be counted as if it was within the category 4, 5 or 6, as applicable.

Note 7: A place in the Nursery Class does not guarantee a place in the Reception Class.

Note 8: Distances are calculated on the basis of a straight line measurement between the applicant's home address and the main entrance of the academy.

A parent is any person who has parental responsibility for or is the legal guardian of the child. It is sufficient for one parent to attend church. Family members include only parents, as defined above and siblings. In order to obtain a signed statement from the vicar, as evidence of regular attendance at St Francis

Church, parents must obtain at least 18 stamps over the nine-month period prior to application on a card issued by the Church (which is also available from the school office). Attendance at church includes but is not limited to Family Services, Messy Church, Rise and Shine and Sunday School. **It is the responsibility of the parent/guardian to ensure the school receives the letter. It should be hand delivered to the school for a receipt to be issued by 31st January 2022.**

In the event that during the period specified for attendance at worship the church or, in relation to those of other faiths, relevant place of worship has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or in relation to those of other faiths, relevant place of worship or alternative premises have been available for public worship.

Children with an Education Health and Care Plan

Any child with an Education Health and Care Plan/statement of special educational needs is required to be admitted to the school that is named in the statement. This gives such children overall priority for admission to the named school. This is not an oversubscription criterion.

Oversubscription Criteria

1. Children looked after by a Local Authority (in accordance with section 22 of the Children Act 1989) at the time of making an application to the school and children who were previously looked after but ceased to be so because they were adopted or became subject to a Child Arrangements Order or Special Guardianship Order immediately following having been looked after. This includes those children who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. (A) Children of parents/guardians (*see note 1) who are in regular attendance at public worship at any Church of England church (regular referring to attending twice a month for the year before the application is made.)
(B) Children of parents/guardians (*see note 1) who are in regular attendance at public worship at any Christian church. (*see note 3) (regular referring to attending twice a month for the year before the application is made.)

You will need to fill in a SIF (section A and B): Attendance will be established by information provided on the Supplementary Information Form completed by a member of the clergy or other designated church officer

3. Children with siblings (*see Note 2) at the school. Siblings include step siblings, foster siblings, adopted siblings and other children living permanently at the same address. Priority will not be given to children with siblings who are former pupils of the school.

You will need to fill in a SIF (sections A and C): This will be established using information provided on the Supplementary Information Form.

4. Children living nearest to the school.

If there is oversubscription within a category, the governors will give priority to those children living closest to the school determined by the shortest distance. The local authority's 'distance' definition has been adopted.

Note 1:

For the purposes of education law, the Department for Education considers a 'parent' to include: • all biological parents, whether they are married or not; • any person who, although not a biological parent, has parental responsibility for a child or young person - this could be an adoptive parent, a step-parent, guardian or other relative; • any person who, although not a biological parent and not having parental responsibility, has care of a child or young person. A person typically has care of a child or young person if they are the person with whom the child lives, either full or part time and who looks after the child, irrespective of what their biological or legal relationship is with the child.

Note 2:

Under priority 4 of the over-subscription criteria, a brother or sister must live at the same address and could be: • Siblings include step siblings, foster siblings, adopted siblings and other children living permanently at the same address. Priority will not be given to children with siblings who are former pupils of the school.

Note 3:

For the purposes of these admission arrangements 'other Christian church' means a church which is Designated under the Ecumenical Relations Measure 2018, nationally by the Archbishops of Canterbury and York, or locally by the diocesan bishop, or which is a member of Churches Together in England, or affiliated to the Evangelical Alliance or a Partner Church of Affinity. The list of nationally Designated churches can be found at:
https://www.churchofengland.org/sites/default/files/2019-04/list_of_designated_churches_3_oct_18.pdf

Note 4:

A child's home address is the place where the child is permanently resident with his or her Parent(s). When a child lives between two addresses, the address used for offering a school place will be where the child lives for most of the school week (Monday to Friday). If care is split equally, the parents can choose which address will be used. [In the event of a dispute between parents who each have parental responsibility, the matter may ultimately need to be resolved by the courts.]

Note 5:

The school uses the Local Authority definition with regard to shared responsibility and also in the event of there needing to be a tie breaker.

Note 6:

Children in the nursery class do not move on automatically into the reception classes. If your child is in the nursery class, you still need to apply for a reception class place along with other parents.

Note 7:

Distances are calculated on the basis of a straight-line measurement between the applicant's home address and the centre of the school site.

Children with an Education Health and Care Plan

Any child with an Education Health and Care Plan/statement of special educational needs is required to be admitted to the school that is named in the statement. This gives such children overall priority for admission to the named school. This is not an oversubscription criterion.

Oversubscription Criteria

1. Looked after or previously looked after children.
2. Children who have a brother or sister who will still be attending either the Infant or Junior School at the date of admission.
3. Children who attend St Laurence Church, Northfield with their parent(s) for Sunday Worship or Occasional Special Services eg Good Friday.
4. Children who attend another Trinitarian Church with their parent(s) for Sunday Worship, and who normally live with a parent(s) whose home is within the Parish of St Laurence Church, Northfield.
5. Children who normally live with a parent(s) whose home is within the Parish of St Laurence Church, Northfield. Details of parish boundaries are available from the School Office.
6. Other children.

Notes

Criterion 1 - A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangement, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

This includes those children who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted.

In the case of previously looked after children, admission authorities may request a copy of the adoption order, child arrangement order or special guardianship order and a letter from the local authority that last looked after the child confirming that he or she was looked after immediately prior to that order being made.

Criterion 2 - A brother or sister must live at the same address and could be: • a brother or sister sharing the same parents; • a half-brother or half-sister, where two children share one parent; a stepbrother or stepsister, where two children are related by a parent's marriage or civil partnership (a formal arrangement that gives same-sex couples the same legal status as married couples); • the separate children of a couple who live together; or • an adopted or fostered brother or sister.

Criterion 3- For admission to Reception at the start of the academic year attendance between 1 January and 31 December at the following: Either: a) At least 26 attendances by child and parent* at a Sunday service or other service. These need to be normal Sunday Services (including Rise and Shine) or other Occasional Special Services e.g. Good Friday, Christmas and other services which will be advertised in advance as being 'qualifying services'. Or b) A total of at least 26 attendances made from a combination of: up to 6 attendances by a parent* at an 'Exploring Faith' course; and at least 20 attendances by a child and parent* at a Sunday service or other service. These need to be normal Sunday Services (including Rise and Shine) or other Occasional Special Services e.g. Good Friday, Christmas and other services which will be advertised in advance as being 'qualifying services'.

*Parent – normally this would be the parent or guardian of the child but in exceptional circumstances one could be another nominated adult who is agreed by the Church and School.

A register, which is held in Church, must be signed.

A Supplementary Information Form is required under this category.

For in year admissions, at least 26 attendances are required as described above for the twelve months prior to the child's admission.

In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship

Criterion 4 - At least 26 attendances are required for the twelve months prior to the child's admission. For admission to Reception at the start of the academic year, 26 attendances are required between 1 January and 31 December during the year before the September start date. A Supplementary Information Form is required under this category. The home address will be checked to ensure it is within the parish of St Laurence Church, Northfield as identified by the Church of England parish location tool at <https://www.achurchnearyou.com/>

In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

If offering places within any one of the criteria would cause the admission number for the school to be exceeded, then children living nearest to the porch door of St Laurence Church, will be offered a place first. Distances are measured by the local authority in a straight line from the applicant's home address.

Children with an Education Health and Care Plan

Any child with an Education Health and Care Plan/statement of special educational needs is required to be admitted to the school that is named in the statement. This gives such children overall priority for admission to the named school. This is not an oversubscription criterion.

Oversubscription Criteria

1. Children looked after by a Local Authority (in accordance with section 22 of the Children Act 1989) at the time of making an application to the school and children who were previously looked after but ceased to be so because they were adopted or became subject to a Child Arrangements Order or Special Guardianship Order immediately following having been looked after. This includes those children who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. Children with a brother or a sister already at the academy who will still be in attendance in September 2022.
3. Children of parents/carers who regularly worship at a Church of England church in the Deanery of Handsworth. **A supplementary information form**

should be completed for this school if applying on faith grounds and can be requested from the School Office.

We define regular as meaning attendance at church must be at least once a month for a twelve-month period prior to application and this will be confirmed by the minister completing the relevant part of the Supplementary Information Form.

In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church has been available for public worship.

4. Proximity of home to school

Oversubscription Criteria

1. Children looked after by a Local Authority or who were previously looked after pursuant with the School Admissions Code.
2. Siblings brother or sister who will still be in attendance (not Nursery) in September 2022.
3. Children whose parents have applied to the school on denominational grounds:
 - a) Anybody whose parent/guardian and child regularly attends St Peter's Church or any other local Church of England Church. **We define regular as meaning twice a month for a year prior to our application for school and this will be confirmed by a letter or signed denominational form from the local minister. If you attend St Peter's church you must ensure that you attend Junior Church on either the second, third or fourth Sunday of the month, twice a month.**
 - b) Anybody whose parent/guardian and child regularly attends any other Christian denomination (defined as a Church who are members of Churches together in England or the Evangelical Alliance). **We define**

regular as meaning twice a month for a year prior to your application to school and this will be confirmed by a letter or signed denomination form from the local minister. This policy defines 'Christian churches' clearly, if you have this in your criteria.

For the purposes of these admission arrangements 'other Christian church' means a church which is Designated under the Ecumenical Relations Measure 2018, nationally by the Archbishops of Canterbury and York, or locally by the diocesan bishop, or which is a member of Churches Together in England, or affiliated to the Evangelical Alliance or a Partner Church of Affinity. The list of nationally Designated churches can be found at:

https://www.churchofengland.org/sites/default/files/2019-04/list_of_designated_churches_3_oct_18.pdf

In supporting a denominational application, parents/carers will be required to complete a Denominational Form in support of their preference. Section B of the form must be completed and signed and stamped by the appropriate clergy/faith leader and then returned to the school by 31st December 2021.

If you wish to be considered for a place for your child in this category please collect the relevant Denominational Form from the school office or it can be downloaded from the school website. This school has to be the closest church school to your address unless you worship at St Peter's Church to be able to consider the application.

In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these Admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for worship.

4. Children who live nearest the school.

Any child with an Education Health and Care Plan/statement of special educational needs is required to be admitted to the school that is named in the statement. This gives such children overall priority for admission to the named school. This is not an oversubscription criterion.

Oversubscription Criteria

1. Looked after children or a child who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted (see note 1).
2. Children of staff employed at Starbank School for 2 or more years at the time at which the application for admission is made, and / or the member of staff has been recruited to fill a post where there is a demonstrable skill shortage (see note 2).
3. Children with a sibling attending the school at the time of both application and offer of a place (see note 3).

4. Children with proven, exceptionally strong special, medical or social circumstances, which are directly relevant to attendance at Starbank School. **Parents are responsible for providing the professional supporting evidence to the school by the closing date from a consultant, doctor, psychologist, social worker or from another relevant independent professional (see note 4).**
5. All other children who live nearest from home to school (see note 5).

Notes

A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989) at the time of making an application to a school.

A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society (see Section 23ZZA(8) of the Children's Act 1989 (inserted by Section 4 of the Children and Social Work Act).

This includes children who were adopted under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders).

Child arrangement orders are defined Section 8 of the Children Act 1989, as amended by Section 12 of the Children and Families Act 2014. Child arrangement orders replace residence orders and any residence orders in force prior to 22 April 2014 is deemed to be a child arrangements order.

Section 14A of the Children Act 1989, which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

2) A child is eligible for consideration when the parent(s) of child on the payroll of the school completes the section on the home Local Authority's common application form.

3) Siblings refers to full, half, adopted, step, foster children or the child of the parent's partner, and in every case, the child must be living in the same family unit at the same address.

4) For a place to be offered under this criterion, the information must confirm the exceptional medical or social need, and demonstrate how Starbank School is the only school that can meet the defined needs of the child. In all cases the medical or social need must be permanent or long term. For medical conditions affecting mobility, consideration will only be given if Starbank School is nearest to the

child's home. It is the parents responsibility to provide the information directly to the school. Failure to provide the supporting information by the closing date may result in the application not being considered under this criterion.

5) Birmingham City Council measures the distance in a straight line from the applicant's home address and the centre of the school site on Hobmoor Road using the co-ordinates supplied by Ordnance Survey.

Please note that children offered a place at Starbank School may be educated at any of the three sites.

How to make an In-Year application

[In-Year Admissions](#)

Children with an Education Health and Care Plan

Any child with an Education Health and Care Plan/statement of special educational needs is required to be admitted to the school that is named in the statement. This gives such children overall priority for admission to the named school. This is not an oversubscription criterion.

Oversubscription Criteria Year 2 to 3

1. Looked after or previously looked after children (including previously looked after children from outside of England).
2. Children on register at Walmley Infant School at the end of Year 2.
3. Children with siblings already at the school or still at Walmley Infant School (the local authority's 'sibling' definition has been adopted). Priority will only be given if siblings will still be in attendance at the date of admission.
4. Where there are medical grounds (supported by a doctor's certificate).
5. Proximity of child's home to school measured by straight line distance (the local authority's 'distance' definition has been adopted).

Within each of these categories, priority is given to those who live nearest the school, calculated on the basis of a straight-line measurement between the applicant's home address and the school office.

Oversubscription Criteria

1. Looked after or previously looked after children (including previously looked after children from outside of England).
2. Children with siblings already at the school or still at Walmley Infant School (the local authority's 'sibling' definition has been adopted). Priority will only be given if siblings will still be in attendance at the date of admission.
3. Where there are medical grounds (supported by a doctor's certificate).

4. Proximity of child's home to school measured by straight line distance (the local authority's 'distance' definition has been adopted).

Within each of these categories, priority is given to those who live nearest the school, calculated on the basis of a straight-line measurement between the applicant's home address and the school office.

Parents should note that admissions to Walmley Infant School will not result in automatic admission to Walmley Junior School for older siblings. The admission of older siblings will be dependent on a place being available if they are entitled under the admissions criteria.

Note: Distances are calculated on a basis of a straight-line measurement between the applicant's home address and the school office.

DEFINITIONS FOR COMMUNITY SCHOOLS/VOLUNTARY CONTROLLED AND THOSE SCHOOLS THAT HAVE ADOPTED LOCAL AUTHORITY DEFINITIONS

LOOKED AFTER AND PREVIOUSLY LOOKED AFTER CHILDREN

Children who are looked after or immediately after being looked after became subject to an adoption, child arrangement order or special guardianship order. This includes any child / young person who is subject to a Full Care Order, an interim Care Order, accommodated under Section 22(1) of the Children Act 1989, is remanded or detained into Local Authority accommodation under Criminal Law or who has been placed for adoption. Birmingham Local Authority's School Admissions and Fair Access Service will obtain names of all children who are looked after or will verify details for those applicants who indicate that their child was previously looked after, within the appropriate age range). Places for these children will be considered in accordance with each school's admission criteria. **However, evidence may be requested from carer's whose children are looked after or were previously looked after by another Local Authority.**

Children adopted from state care outside of England

Children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted will be given equal first priority in admission arrangements, alongside looked after children (LAC) and children who were previously looked after by English local authorities (PLAC). These children are referred to as internationally adopted previously looked after children – “IAPLAC”.

Evidence will be required from the carer confirming that their child meets the above criteria in accordance with the DfE’s non-statutory guidance on the admission of IAPLAC. School Admissions and Fair Access Service may be required to check with colleagues from the Birmingham Virtual School about the acceptability of any evidence provided by the carer of an IAPLAC before considering their child’s application under this criterion.

SIBLINGS

Siblings (brothers or sisters) are considered to be those children who live at the same address and either:

- i. have one or both natural parents in common; or
- ii. are related by a parent’s marriage; or
- iii. are adopted or fostered by a common parent.

Unrelated children living at the same address, whose parents are living as partners, are also considered to be siblings.

Children not adopted or fostered, nor related by a parents’ marriage, nor with one natural parent in common, who are brought together as a family by a same sex civil partnership and who are living at the same address, are also considered to be siblings.

Children who attend either a linked infant or junior school, who will still be in attendance at the time of admission, are considered as sibling claims.

All siblings must still be attending the preferred school at the time when admission is sought. For example, for the September 2022 intake the sibling must still be attending in September 2022. Children in Year 6 are not classed as meeting the sibling criteria. **Children attending Nursery are not classed as siblings.**

DISTANCE MEASUREMENTS TO SCHOOLS

Distances are calculated on the basis of a straight-line measurement between the applicant’s home address and a point decided by the school (the point measured from is included for each Community & Voluntary Controlled School).

The Local Authority uses a computerised system, which measures all distances in metres. Ordnance Survey supplies the co-ordinates that are used to plot an applicant's home address and the address of the school.

TIE-BREAKER

In a very small number of cases, in which a school is oversubscribed, it may not be possible to decide between the applications of those pupils who are the final qualifiers for a place, when applying the published admission criteria.

For example, this may occur when children in the same year group live at the same address, or if the distance between the home and school is exactly the same (e.g. a blocks of flats). If there is no other way of separating the application according to the admissions criteria, and to admit both or all of the children would cause the Published Admission Number for the child's year group to be exceeded, the Local Authority will use a computerised system to randomly select the child to be offered the final place.

HOME ADDRESS

A pupil's home address is considered to be a residential property which is the child's only or main residence, and is either;

- Owned by the child's parent(s), or the person with parental responsibility for the child; or
- Leased to or rented by the child's parent(s), or the person with parental responsibility under lease or written rental agreement of not less than twelve months' duration.

Where parents have shared responsibility for a child, and the child lives with both parents for part of the week, then the main residence will be determined as the address where the child lives the majority of the week. Parents may be requested to supply documentary evidence to satisfy the authority that the child lives at the address put forward by the parents.

For details of examples of acceptable proof of address please visit our Website; www.birmingham.gov.uk/schooladmissions-proofofaddress

The School Admissions and Fair Access Service may also carry out unannounced home visits to confirm the applicant's home address.

If a school is offered on the basis of an address, which is subsequently found to be different from a child's normal and permanent home address, that place will be withdrawn.

GENERAL INFORMATION

LATE APPLICATIONS

You are encouraged to ensure that your application is received on time (**15 January 2022**). Late applicants are less likely to be offered a place at any of their preferred schools. Late applications will be processed after the offer of places on 19 April 2022.

CHANGE OF PREFERENCES

You can amend your order of school preferences on your online application between 1 October 2021 and the final closing date of **15 January 2022**. If you amend your order of preferences, or make any changes to your online application, you **MUST** ensure that you re-submit your application, otherwise it will not be processed. **Please note - you will not be able to amend your order of preferences after 15 January 2022, and any changes after that date will be treated as a late application. This will not be processed until after the offer of places on 19 April 2022.**

APPEALS

If your child is not successful in gaining admission into your preferred school, you have the right of appeal against the decision, to refuse your child a place there.

For details of which appeals are managed by School Admissions and Fair Access Service or those managed by the school itself, please visit:

www.birmingham.gov.uk/schooladmissions

WAITING LISTS

Waiting lists for those children, who did not meet the criteria for their preferred schools for the Reception and Year 2-3 September intakes, will be created 3 weeks following the offer of places on 19 April 2022.

Waiting lists will be managed by School Admissions and Fair Access Service, or by the School itself. Please check www.birmingham.gov.uk/schooladmissions after 19 April 2022 for further details.

Waiting lists are kept in strict order, in accordance to each school's oversubscription criteria; waiting lists are not fixed and are subject to change. Late applicants must be slotted onto a waiting list in accordance to the school's oversubscription criteria.

Please note that a child's inclusion on a waiting list is no guarantee that a place will be offered.

All waiting lists will be maintained by the respective school itself from September 2022 and become their In-Year waiting list. The waiting list must be maintained by the school up until 31 December 2022. After this date, they may be disbanded. However, most schools will maintain their In-Year waiting lists up until until the end of the academic year before disbanding them.

Looked after and previously looked after children, and those that meet the Fair Access Protocol, have precedence above any other children on an In-Year waiting list.

DEFERRED ENTRY/SUMMER BORN

By law, parents must ensure that their children are receiving suitable full- time education at the beginning of the term after their 5th birthday.

A child who reaches the age of five during the 2022/2023 summer term would reach compulsory school age in September 2023.

However, it is not possible to accept a place in the Reception Class for September 2022, but defer the child's admission until the beginning of the 2023/2024 academic year, and if a child did not take up their place in a Reception Class in 2022/2023, a separate in-year application would need to be made for the child to enter the school in Year 1.

Alternatively, a parent has the right for their child to be admitted on a part-time basis during the Reception Class year, but not beyond the point that they reach compulsory school age.

In both cases above a school place is held for the child until they take it up.

Parents must notify the school in writing of their intention to delay their child's start date.

If you are seeking to defer entry for your child please refer to our website:
www.birmingham.gov.uk/deferred_school_entry

CATHOLIC DEFINITION/EVIDENCE OF BAPTISM

A “Baptised Catholic” is one who:

- Has been baptised into full communion (Cf. *Catechism of the Catholic Church*, 837) with the Catholic Church by the Rites of Baptism of one of the various ritual Churches in communion with the See of Rome. Written evidence of this baptism can be obtained by recourse to the Baptismal Registers of the church in which the baptism took place (Cf. *Code of Canon Law*, 877 & 878).

Or

- Has been validly baptised in a separated ecclesial community and subsequently received into full communion with the Catholic Church by the *Rite of Reception of Baptised Christians into the Full Communion of the Catholic Church*. Written evidence of their baptism and reception into full communion with the Catholic Church can be obtained by recourse to the Register of Receptions, or in some cases, a sub-section of the Baptismal Registers of the church in which the *Rite of Reception* took place (Cf. *Rite of Christian Initiation*, 399).

WRITTEN EVIDENCE OF BAPTISM

The Governing bodies of Catholic schools and Boards of Directors of Catholic Academies will require written evidence in the form of a Certificate of Baptism or Certificate of Reception before applications for school places can be considered for categories of “Baptised Catholics”. A Certificate of Baptism or Reception is to include: the full name, date of birth, date of Baptism or Reception, and parent(s) name(s). The certificate must also show that it is copied from the records kept by the place of Baptism or Reception.

Those who would have difficulty obtaining written evidence of Catholic Baptism/Reception for a good reason, may still be considered as Baptised Catholics but only after they have been referred to their parish priest who, after consulting the Vicar General, will decide how the question of Baptism/Reception is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

Those who would be considered to have good reason for not obtaining written evidence would include those who cannot contact the place of Baptism/Reception due to persecution or fear, the destruction of the church and the original records, or where Baptism/Reception was administered validly but not in the Parish church where records are kept.

Governors and Boards of Directors may request extra supporting evidence when the written documents that are produced do not clarify the fact that a person was baptised or received into the Catholic Church, (i.e. where the name and address

of the Church is not on the certificate or where the name of the Church does not state whether it is a Catholic Church or not.)

SCHOOL UNIFORMS

Governing Bodies are responsible for deciding whether or not pupils should wear a school uniform. Parents should contact individual schools for details of the uniform policy and any sports kits. Generally, school uniforms should be available in high street shops and other retail outlets, rather than from one supplier. Schools should offer arrangements, so that no family feels unable to apply for admission on account of high uniform costs, and details should be available from individual schools.

RELIGION/BELIEF

The law requires all schools without a religious character to provide religious education that fulfils the requirements of a locally agreed syllabus. For Birmingham schools this is the Birmingham Agreed Syllabus for Religious Education. Voluntary Aided Schools with a religious character normally follow a Diocesan syllabus or one agreed by the governing body.

Religious Education (RE) is intended for all pupils. However, parents have the right to withdraw their child from all part of RE. This will need careful thought and discussion and parents are encouraged to discuss with Head Teachers the Religious Education provision in the school.

All schools are also required to have collective worship for all pupils every day. This will follow a pattern agreed by the governors of the school. Collective worship is intended for all pupils. However, parents also have the right to withdraw their child from collective worship.

CONTRIBUTIONS TO SCHOOL FUNDS AND SCHOOL TRIPS

There is no charge or cost related to the admission of a child to a school. Many schools operate a school fund to which they ask parents to contribute small sums. Such donations are entirely voluntary. The money collected in this way is

used to pay for activities or to buy equipment that is not provided from the school budget.

School trips are an important part of school life and can contribute to the ethos of the school. Schools may ask parents for a voluntary contribution towards the cost of a school trip but may not charge for a trip, which takes place in school hours or is part of the National Curriculum. Many schools offer help to those who are unable to afford the cost of school trips. Details are available from individual schools.

UK CROWN SERVANTS AND MILITARY FAMILIES

Birmingham School Admissions will process applications from UK crown servants or UK military families, with evidence from their employers or commanding officers that they are returning to the area ahead of any move.

We will accept any posting or quartering address as a 'home' address in the absence of any actual home address.
