

## RE – Year 3

### Sharing and Being Generous

We follow the Birmingham Agreed Syllabus which has been created by SACRE for all schools in Birmingham.

#### Religions that we are learning from:

##### Christianity

The story the rich man and his barns from the Bible (Luke 12: 15-21).

##### Sikhism

The story of Guru Chand and the needle.

##### Islam

Understanding what it means to follow one of the five pillars of Islam - Zakah

##### Harvest

As part of our topic on 'Sharing and Being Generous' we will also be exploring the Christian festival of Harvest. At World's End we give our harvest donations to Birmingham City Mission. Follow the link to find out how harvest donations help those who are most in need.

#### Key questions to discuss at home:

- Why should we share?
- Do you know of any religions which state that sharing is a good thing?
- Is there anything that you can give which doesn't cost anything? (time, kind words etc)
- Is there anything that we shouldn't consider sharing?

#### Key Vocabulary:

charity - the voluntary giving of help, typically in the form of money, to those in need.

Zakah – payment made annually and used for charitable and religious purposes, one of the Five Pillars of Islam

festival - a day or period of celebration, typically for religious reasons

Harvest - A celebration of the annual harvest, especially (in Britain) one held in schools and as a service in Christian churches, to which gifts of food are brought for the poor.
