

RE – Year 6

Being Fair and Just

We follow the Birmingham Agreed Syllabus which has been created by SACRE for all schools in Birmingham.

Religions that we are learning from:

Christianity

In the New Testament Jesus often treated people fairly regardless of their ethnicity, gender or status.

Islam

Muslims believe that it is important to be fair and just with others as directed in the Quran.

Key questions to discuss at home:

- What does it mean to treat people fairly?
- Should everyone always be treated the same?
- How can you treat people fairly?
- What should you do if you see someone being treated unfairly?

The Bible – John 4 v 1-42

This story is about how Jesus interacted with a Samaritan woman at the well. Jesus was a Jew and Jews typically hated Samaritans. However the story shows that Jesus treated the woman with compassion and respect.

Key Vocabulary:

Fair – treating people equally

Unfair – treating people unequally

Discriminate – treating people differently (often unfairly)

Prejudice – having an opinion that is not based on good reason or experience
