

## RE – Year 5

### Being Loyal and Steadfast

We follow the Birmingham Agreed Syllabus which has been created by SACRE for all schools in Birmingham.

#### Religions that we are learning from:

##### Christianity

Christians follow Jesus' teaching which tells them to treat everyone as their neighbour by showing kindness, regardless of who they are.

##### Sikhism

Bhai Kanhaiya is an example to Sikhs of how live their lives – caring for others whether they are friends, neighbours or even enemies.

##### Baptism

People who have decided that they want to follow Jesus often decide to get baptised. Immersing themselves in water is a symbolic way of showing that their past lives of not following God are gone. When they emerge from the water their new life of following God begins.

#### Key questions to discuss at home:

- What sort of friend are you?
- How can you show commitment to others?
- How do believers show commitment to their faith?
- How important is it to commit to traditions?

#### Key Vocabulary:

Commitment – being dedicated to doing something

Loyal – giving or showing a firm and constant support

Steadfast – keeping going with something

Baptism – the Christian activity of immersing someone in water to show their forgiveness of sins and relationship with God.
