

JLT

Junior Leadership Team

Who are we?

Each class has the opportunity to vote for their representative.

We are identifiable by our lanyards.

Role and Responsibilities

In JLT we look after our school by representing the views of the students who attend. We give children a voice. We meet fortnightly with several members of staff - Mr Carey, Mrs Barlow, and Ms Owens. Each meeting we discuss how best to support throughout the school and ways in which we can fundraise.

So far this year...

Following the success of our Walkathon (where we raised an amazing £1400) we have been able to collect pupil voice and decide how to spend the money. With the money we have purchased: football goals, a basketball hoop, skipping ropes, a giant connect four, balls and wobble boards.

Yours sincerely, JLT Team.
