

Behaviour Policy

Policy Date:

Next review: End of Spring 2 2024

Purpose

A calm, safe learning environment is essential if pupils are to learn most effectively. It is the responsibility of the school to provide that environment so that pupils and teachers can make most use of lesson time for the real purpose of education. This policy aims to promote positive behaviour for learning and how we aim to achieve this at World's End Junior School. Our behaviour policy is underpinned by our three school values: Respect, Readiness and Resilience and our training as a TIASS school (Trauma Informed Awareness School).

At Worlds End Junior School we believe that every behaviour communicates a need, and we strive to support every pupil based on their individual needs. Teaching and learning remain at the heart of our school community where we expect positive behaviour for learning to ensure that all pupils can learn and reach their full potential. Everyone should treat one another with dignity, kindness and respect.

This policy is based on legislation and advice from the Department for Education (DfE) on:

Our Vision

We have high aspirations and expectations for every child to leave World's End Junior School with the knowledge, skills and experiences to make positive life choices, to build healthy relationships and to find their place in the world as happy and successful citizens.

We believe that responsible behaviour underpins and facilitates good progress and high standards of achievement. Teaching staff, support staff, parents and governors are all responsible for and can influence the behaviour of pupils.

Safeguarding

The school recognises that changes in behaviour may be an indicator that a pupil needs help or protection.

We will consider whether a pupil's misbehaviour may be linked to them suffering or being likely to suffer significant harm.

Where this may be the case, we will follow our child protection and safeguarding policy, and consider whether pastoral support; an early help intervention or a referral to children's social care is appropriate.

Please refer to our child protection and safeguarding policy for more information

Responding to behaviour

Responding to positive behaviour

Each classroom displays the school values and teachers refer to them throughout the day.

At the start of each year, behaviour expectations, sanctions and rewards are shared or revisited with pupils. This is then revisited on a regular basis.

Examples of rewards may include:

- Verbal praise;
- Communicating praise to parents via phone call, dojo (appendix 1) or written correspondence;
- Star of the week certificates, Gold Book Assemblies, House Points;
- Positions of responsibility such as JLT, Lunchtime Monitor, UNICEF, House captains
- Whole-class or year group rewards, such as a popular activity
- "Catch Me" sheet
- Extra reward time

Responding to negative behaviours

We recognise that praise is more efficient than sanctions nevertheless the school will take a firm stand on negative behaviours including bullying and racist behaviour. We do not tolerate behaviour that interrupts learning in anyway. School staff will deal with incidents in their manner and style appropriate to the level of disruptive behaviour involving schools' leaders as appropriate. At World's End Junior School, we follow a consequences system to ensure minimal disruption to teaching and learning.

The decision to suspend or exclude will be made by the headteacher and only as a last resort. Following any suspensions, a reintegration meeting will be held with the pupil, parents and where necessary other agencies. During this meeting school will consider what support is needed to help the pupil to return to mainstream education and meet the expected standards of behaviour. This will be recorded on CPOMS (Child Protection Online Management System).

CONSEQUENCE SYSTEM

PEX	Permanent exclusion	PEX are issued by the Headteacher and only as a last resort.

Adapting sanctions for pupils with SEND

All sanctions issued are on a case-by-case basis, taking into account each child's needs. This is reviewed by the SENCO and key staff.

When considering a behavioural sanction for a pupil with SEND, the school will consider:

- Whether the pupil was unable to understand the rule or instruction?
- Whether the pupil was unable to act differently at the time because of their SEND?
- Whether the pupil is likely to behave aggressively due to their SEND needs?

Pupils with an education, health and care (EHC) plan

The provisions set out in the EHC plan must be secured and World's End Junior School will co-operate with the local authority and other bodies.

Additional behaviours

Off-site misbehaviour

Sanctions may be applied where a pupil has misbehaved off-site when representing the school or elsewhere when the pupil is under the lawful control of a staff member (e.g., on a school-organised trip). This means misbehaviour when the pupil is:

- Taking part in any school-organised or school-related activity (e.g., school trips)
- Travelling to or from school
- Wearing school uniform
- In any other way identifiable as a pupil of our school
- Could have repercussions for the orderly running of the school
- Poses a threat to another pupil
- Could adversely affect the reputation of the school

Online misbehaviour

The school can issue behaviour sanctions to pupils for online misbehaviour when:

- It poses a threat or causes harm to another pupil
- It could have repercussions for the orderly running of the school
- It adversely affects the reputation of the school
- The pupil is identifiable as a member of the school
- The misbehaviour is child-on-child abuse and/or bullying

Suspected criminal behaviour

If a pupil is suspected of criminal behaviour, the school will make an initial assessment of whether to report the incident to the police. When establishing the facts, the school will endeavour to preserve any relevant evidence to hand over to the police.

If a decision is made to report the matter to the police, a school leader will make the report. The school will not interfere with any police action taken. However, the school may continue to follow its own investigation procedure and enforce sanctions, if it does not conflict with police action. If a report to the police is made, the designated safeguarding lead (DSL) will contact Birmingham Children's Trust for advice and complete any necessary referrals.

Malicious allegations

- Where a pupil makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy.
- Where a pupil makes an allegation of sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy.
- In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the local authority designated officer (LADO), where relevant) will consider whether the pupil who made the allegation needs help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.
- The school will also consider the pastoral needs of staff and pupils accused of misconduct.

Sexual harassment and violence

Zero-tolerance approach to sexual harassment and sexual violence

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored. Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be. The school's response will be:

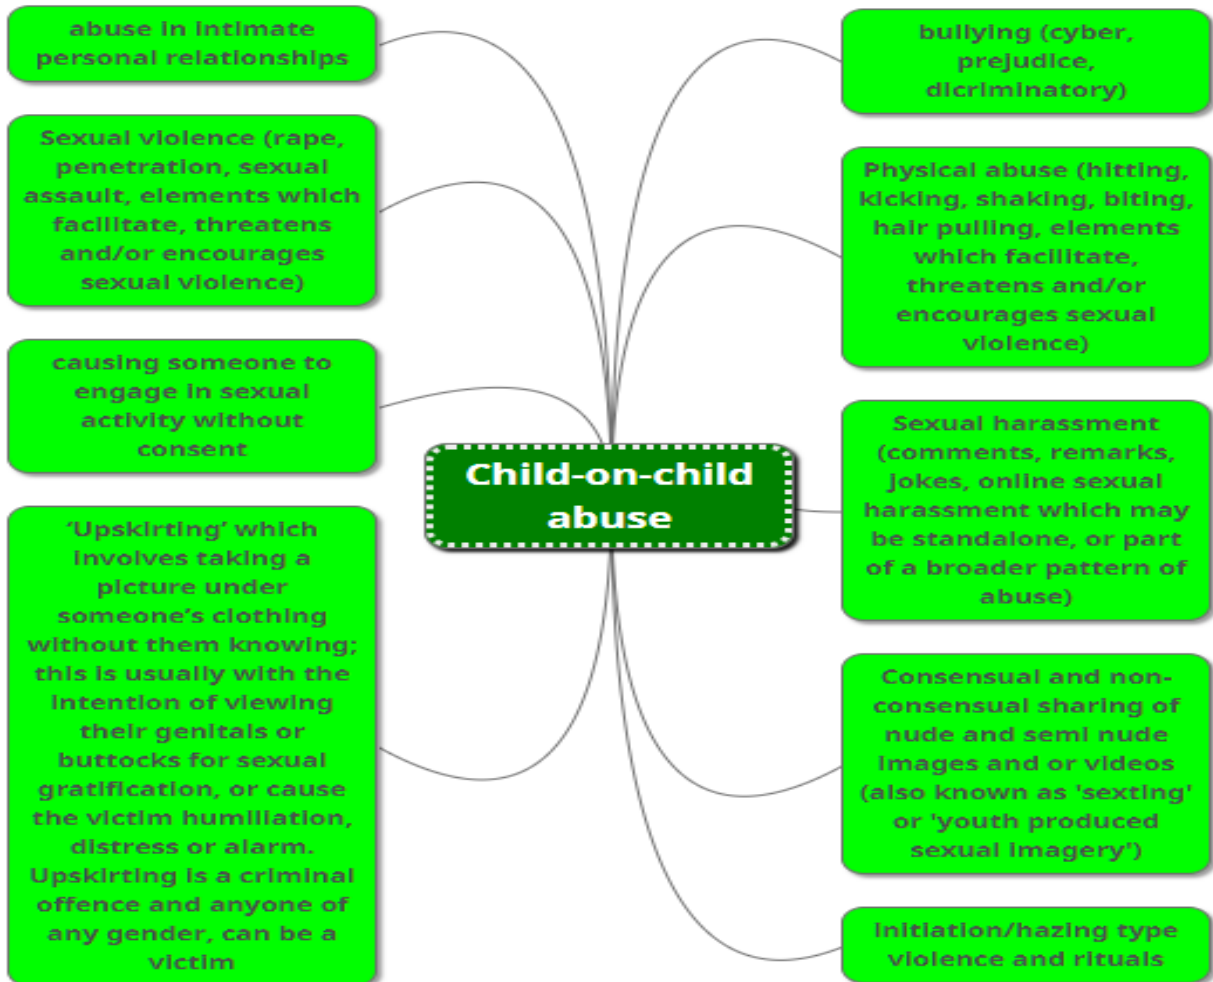

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for responding to a report and carrying out risk assessments, where appropriate, to help determine whether to:

- Manage the incident internally
- Refer to early help
- Refer to pupil's social care
- Report to the police

Child-on-child abuse

Reports of certain behaviours are not downplayed, for example dismissing sexual harassment as “banter”, “just having a laugh”, “part of growing up” or “boys being boys” as this can lead to a culture of unacceptable behaviours, an unsafe environment and in worst case scenarios, a culture that normalises abuse leading to pupils accepting it as normal and not coming forward to report it. All allegations will be recorded on CPOMS and investigated. Guidance will be followed from Birmingham Children’s Trust, Harmful Sexualised Behaviour Team and Keeping Pupils Safe in Education.

Bullying

Bullying

Bullying is defined as the repetitive, intentional harming of one person or group by another person or group, where the relationship involves an imbalance of power. Bullying is, therefore:

- Deliberately hurtful
- Repeated, often over a period of time
- Difficult to defend against

Types of bullying

Please refer to our anti-bullying policy for more information.

Bullying can include:

Confiscation, searches, screening

Searching, screening and confiscation is conducted in line with the DfE's latest guidance on searching, screening and confiscation. Parents will be informed of any confiscation or searches.

Confiscation

Any prohibited items found in a pupil's possession as a result of a search will be confiscated.

Prohibited items:

- Knives or weapons
- Alcohol
- Illegal drugs
- Stolen items
- Tobacco and cigarette papers
- Fireworks
- Energy drinks
- Vapes
- Pornographic images
- Any article a staff member reasonably suspects has been, or is likely to be, used to commit an offence, or to cause personal injury to, or damage to the property of, any person (including the pupil)

Searching a pupil and their possessions

Searches will only be carried out by a member of staff who has been authorised to do so by the headteacher, or by the headteacher themselves. Please see the following guidance for more information.

A pupil's possessions can be searched for any item if the pupil agrees to the search. If the pupil does not agree to the search, staff can still carry out a search for prohibited items. An authorised member of staff can search a pupil's possessions when the pupil and another member of staff are present. We follow the following guidance:

<https://www.gov.uk/government/publications/searching-screening-and-confiscation>

TEAM TEACH

Team Teach – Restraint

Reasonable force covers a range of interventions that involve physical contact with pupils. All members of staff have a duty to use reasonable force, in the following circumstances, to prevent a pupil from:

- Causing disorder
- Hurting themselves or others
- Damaging property

Detailed advice is available in:

<https://www.gov.uk/government/publications/use-of-reasonable-force-in-schools>

<https://www.teamteach.co.uk/>

Transition of pupils

Pupil Transition

The school will support incoming pupils to meet behaviour standards by offering an induction process to familiarise them with the behaviour policy and the wider school culture.

Preparing outgoing pupils for transition

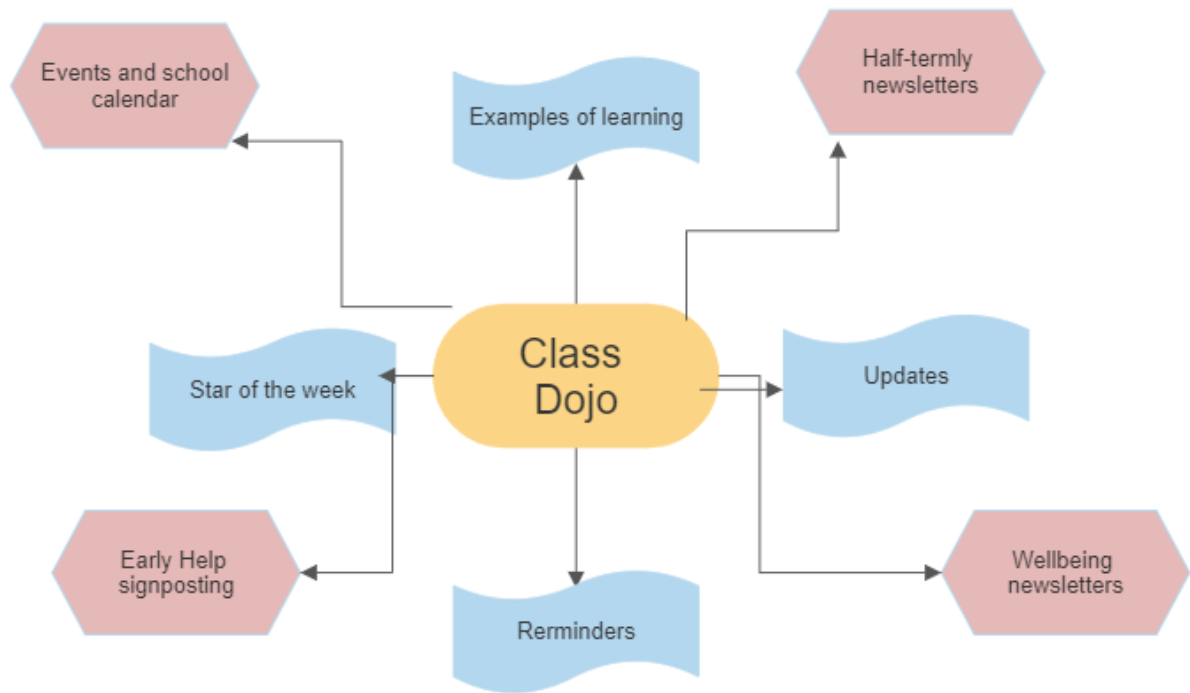

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information related to pupil behaviour issues may be transferred to relevant staff at the start of the term or year.

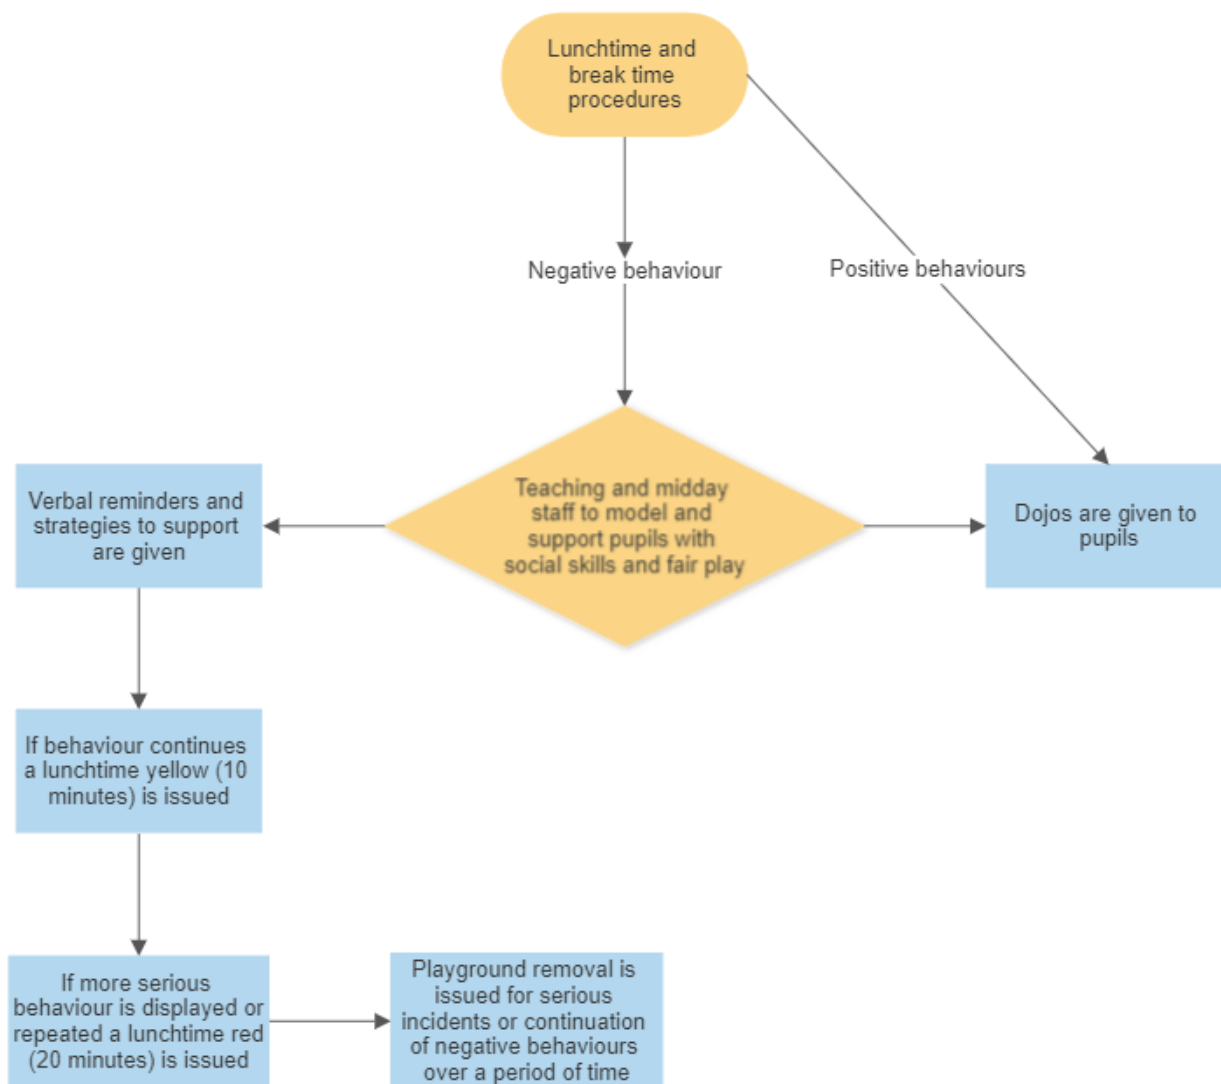

The policy is reviewed annually.
